— John McPhee, Basin and Range. 52 likes. Like “A million years is a short time - the shortest worth messing with for most problems. You begin tuning your mind to a time scale that is the planet's time scale. For me, it is almost unconscious now and is a kind of companionship with the earth.”

Basin and Range Quotes by John McPhee - Goodreads

John Angus McPhee (born March 8, 1931) is an American writer, widely considered one of the pioneers of creative nonfiction. He is a four-time finalist for the Pulitzer Prize in the category General Nonfiction, and he won that award on the fourth occasion in 1999 for Annals of the Former World (a collection of five books, including two of his previous Pulitzer finalists).

Basin and Range by John McPhee, Paperback | Barnes & Noble®

McPhee's odyssey takes him, thereafter, along the continent-spanning Route 80—studying exposed landforms and rocks revealed by roadcuts, talking with geologists—toward a modern Basin and Range country: that physiographic territory between eastern California and eastern Nevada, geologically active, mineral-rich, structurally enormously complex.

Amazon.com: Customer reviews: Basin and Range

John McPhee's Basin and Range kept me wanting to read more, right up to the very end. His style was very interesting, keeping his story on basin and range full of knowledge. He describes two of North America's past basin and range provinces.
