Princess Elizabeth's Spy by Susan Elia MacNeal is a 2012 Bantam publication. This second book in the Maggie Hope series is better than the first!! The story picks up with Maggie being told she can't quite cut it at MI-5 from a physical standpoint, so she's shipped home and reassigned.

Princess Elizabeth's Spy by Susan Elia MacNeal

While the adventures of Maggie Hope, spy and mathematician, with the fourteen-year-old Princess are fictional, MacNeal's portrayal of Elizabeth rings delightfully true. Here's the very young woman who already holds a powerful sense of duty to her people and carries her responsibilities with great love and care, even while she's still a mischievous child as well-and those black-and-sable corgis!
