Hi. I have a Smart document scanner but no Smart board. I was able to install the Image mate software that came with the DC330, but I can't use it with a new Windows 10 64 bits system. I need drivers for this scanner...

Is the SMART SDC-330 document camera compatible with ...

I was able to get the SMART Document Camera 330 to work in Windows 7 with the free version of Manycam, after having issues with Image Mate and SMART Notebook 16. If anyone else is having issues with older models of the SMART Document Camera, this seems to be a solution to continue using the hardware going forward.
