Socrates For Kids

Very little is known about Socrates' early years. He was born in about 470 bce in Athens. He probably lived in Athens all his life, apart from time spent as a soldier. He married and had three sons. It is thought he trained as a stonemason, like his father, but that he then decided to spend his time searching for knowledge.

Socrates facts for kids. Socrates (469 BC - 399 BC) was one of the greatest Greek philosophers. He did not propose any specific knowledge or policy. He showed how argument, debate, and discussion could help men to understand difficult issues. Most of the issues he dealt with were only political on the surface.

Socrates Facts for Kids

Socrates lived during the time of the Peloponnesian War between the city-states of Athens and Sparta. As a male citizen of Athens, Socrates was required to fight. He served as a foot soldier called a "hoplite." He would have fought using a large shield and spear. Socrates fought in several battles and was noted for his courage and valor.

Socrates Biography - Ducksters

Socrates was about seventy years old at the time. He had been teaching for a long time. He thought the whole thing was ridiculous. In ancient Athens, anyone could demand a trial. There were rules, but if you followed the rules, sooner or later, you would end up in court.

Socrates, the Great Teacher for Kids - Ancient Greece for Kids

Socrates is credited with inventing the Socratic Method. His Socratic Method challenged students to think through a problem by asking and solving questions through reasoning. Sometimes the answers led to more questions. Answering more questions gave his students a better understanding of the problem or subject.
