**Switching To The
Mac The**

"Switching to the Mac" is the best book I've read for someone who has been a PC user for many years and is just beginning to learn how to use the Mac. I'm a new Mac owner and bought several books on getting started, and have done a few tutorials, and this book is the most informative by far.

Switching from PC to Mac

The Mac is a lot more fun to use than a Windows PC, but I can't say that it was worth the switch financially. The MacBook is expensive and I've lost time toward training myself to use it.
