The Science Break

Directed by Wolfgang Petersen. With Dustin Hoffman, Rene Russo, Morgan Freeman, Kevin Spacey. Army doctors struggle to find a cure for a deadly virus spreading throughout a California town that was brought to America by an African monkey.

Outbreak (1995) - IMDb

Breaking Out: About the poem. Breaking Out by Marge Piercy is a modern poem of inspiration and of rebellious spirit. The American poet, novelist and social activist Marge Piercy has been known for her feminist writings. The poem, first published in the Harbor Review in 1984, is a specimen of the tone and themes of her poetry. And I have heard people hailing this poem as one of their all time ...

Breaking Out is a song from the film Shock Treatment, with lyrics and music by Richard O'Brien and Richard Hartley, released in 1981 on the film album.. Several songs from the film were originally written for Rocky Horror Shows His Heels, a never-made sequel to The Rocky Horror Picture Show. The songs were rewritten for the never-made The Brad and Janet Show and once again for Shock Treatment.
