In order to explain the outbreak of any conflict, it is first necessary to have a theory of how war occurs. Theories of war are absent or underdeveloped in most theories of international relations, which, despite popular belief, undermines the explanatory power of most theoretical paradigms in the field of international relations. Here I offer the Bargaining Model of War...

A Theory of War | History and Theory: Explaining War

Development, according to these critics, was now a euphemism for post-war American hegemony; it was the ideals and development programs of the United States and its (Western) European allies that would form the basis of development everywhere else. Post-development theory

Postdevelopment theory - Wikipedia

From the just war (*justum bellum*) tradition, theorists distinguish

between the rules that govern the justice of war (jus ad bellum) from those that govern just and fair conduct in war (jus in bello) and the responsibility and accountability of warring parties after the war (jus post bellum). The three aspects are by no means mutually exclusive, but they offer a set of moral guidelines for waging war that are neither unrestricted nor too restrictive.

Just War Theory | Internet Encyclopedia of Philosophy

For approximately nine years after the end of World War II, the United States provided military aid to the French government in Vietnam in its struggle against the nationalist forces led by communist Ho Chi Minh.
