The diplomatic history of World War I covers the non-military interactions among the major players during World War I. For the domestic histories of participants see home front during World War I. For a longer-term perspective see international relations of the Great Powers (1814-1919) and causes of World War I. For the following (post-war) era see international relations (1919-1939).

Diplomatic history of World War I - Wikipedia

The military history of Japan chronicles a vast time period over three millennia from the Jōmon 1000 BCE into the modern day. It is characterized by a long period of clan warfare until the 12th century CE. This was followed by feudal wars that culminated in military governments known as the Shogunate. Japanese history is distinguished by that the military class with the Shōgun ruled Japan ...
