The Yamaha YHT-S400 is a unique soundbar home theater system that's more compact and versatile than conventional soundbars. That's because Yamaha was able to build a subwoofer into the surprisingly slim receiver, eliminating an extra unit (and cables) and allowing convenient placement in a rack or on the floor.

YHT-3072 IN - Overview - Home Theater Systems - Yamaha

As an improvement on flatscreen sound, the YHT-S400 is pretty much off the scale – and when judged against other currently available soundbar systems it makes an equally compelling case for itself. The Yamaha may be more expensive than its rivals, but the elegance of its thinking and (crucially) quality of its sound make it our preferred soundbar option.
