Zero To Maker Learn Just

The tagline should have been "learn how to learn (just enough) to make (just about anything). Still, it was an interesting read and as a maker, I recognized many of the same growing pains and feel better that it wasn't just me.

Zero to Maker: Learn (Just Enough) to Make (Just About ...

While not exactly what I was anticipating, Zero to Maker is an excellent introduction to just what the Maker subculture/movement is all about, with a decent top-level overview of how to get involved if you're interested. What I had hoped for was something more akin to a basic reference manual/starter textbook on the techniques and tools discussed.
